Goal Reached!

THANK YOU

to all of the volunteers and donors who helped to make this campaign such a huge success.

Thanks to you, the Greater Mankato Area United Way can continue to fund its 34 Partner Agencies, 50 Programs, and the 2008 Initiative: Ready for Kindergarten!

But even more than that, because the greater Mankato area community has exceeded our goal amount, we can expand our current funded programs and touch even more people in our community.

This has been a great campaign season. We look forward to keeping you up to date on what's going on at GMAUW and with your Dollars in Action in the community with periodic eNewsletters throughout 2008.
